October Quarterly Report (8/22/96 - 9/30/96)
30-Day Post General Report (10/17/96 - 11/25/96)

Dear Ms. Carothers:

In response to your letter remailed April 27, 1997 regarding the above referenced October Quarterly Report, we would like to point out the following:

- On page 1 of *Schedule B*, (copy enclosed) we recorded an in-kind disbursement for the National Committee for an Effective Congress as part of the description of the disbursement. We are enclosing an amended page 1 of that schedule.
- After a study of the report, we find one contribution recorded on *Schedule A*, contributions from Other Political Parties, page 2, dated August 26, 1996 for \$1,000.00 from the Morgan Stanley Beller Government Fund, which meets the forty-eight hour notice requirement. We are enclosing a copy of the notice which was faxed on August 27, 1996.
- In addition, in response to your letter regarding the 30-day Post-General Report, we are enclosing an amended *Schedule B*, page 2, to include a description of the disbursement of \$37,558.00 to Ambrosino & Muir on October 21, 1996.
- Finally, we would like to thank you for the extension of time to respond to the letters in question, as we had never received the originals. We will file a new Statement of Organization to indicate the complete address.

Sincerely,

Aaron Edelman, Treasurer
